

B&E's, Deer Accidents Increase

Breaking and enterings are on the rise as summer residents leave their houses and cabins, and car-deer accidents are also increasing as deer begin to move more.

Ten breaking and enterings were reported last week to the Crawford County Sheriff Dept. Four were reported in Frederic Twp. and others were reported near the Crawford-Oscoda county line.

Crawford County Sheriff Joe White urges neighbors to report any unusual cars, persons, or activity in their area. He said public participation can contribute greatly to preventing crimes as well as making arrests.

White also cautioned motorists to be alert for deer as they begin to move more across roads and trails. Six car-deer accidents were reported last week alone.

Hanson Hills 10K Race Offers Challenging Hills

The Hanson Hills 10K course, one of the toughest in the state, could also be one of the most beautiful - winding through hills ablaze with the fall color of maples, oaks, aspens, and other trees and shrubs.

The first annual Hanson Hills Challenge 10K plus one mile fun run kicks off this Saturday, Oct. 9, at the peak of fall color. While most runners will enjoy the color, few will enjoy the hilly, sandy trails expected to slow times down. Aid stations will be located at the two-mile, four-mile, and finish mark.

Registration for the 6.2 mile race and one-mile fun run is from 8 a.m. to 9:45 a.m. Saturday. The one-mile fun run, on a flat, shaded trail, will begin at 10 a.m. The 10K race will start at 10:30 a.m. There's no entry fee or awards for fun racers. Special trophies will be given to 10K male and female first place finishers. Medals and ribbons will be given to division winners and second and third place finishers. Entry fee is \$7 for the 10K run.

The race is sponsored by the Rasmus Hanson Recreational Area and the Grayling Holiday Inn.

Vikings Lose Homecoming 14-8

A Grayling fumble and off-sides penalty helped Rogers City spoil the Vikings Homecoming with a 14-8 win.

Rogers City scored on the first play after a Grayling fumble and an off-sides penalty on a punting situation allowed Rogers City to keep the ball and complete a touchdown drive. After staking the visitors, ranked 14th in the state in class C, to a 14-0 lead, Grayling came back.

They shut down the tall receivers and big backs from Rogers City and narrowed the score to 14-6 on a 40-yard bomb from quarterback Jim Stewart to Mike Hickey. Hickey made a great catch in the end zone

outwrestling two defenders for the ball as he was falling backwards. A power sweep with Jim Hill running wide added two points to complete scoring at 14-8 for the night.

Grayling suffered its fourth straight defeat against an undefeated opponent. The combined record of Grayling's first four opponents, Roscommon, Cheboygan, Petoskey, and Rogers City, is now 16-0.

Jim Hill led the offense with 106 yards rushing. Head coach Bill Klinger said senior Hill played well going both ways on offense and defense. Klinger also said the offensive line, led by Greg Helsel, Brad Emerick, See Football on Page 2

State Police Course at Kirtland

The Michigan State Police, Community Services Section, in cooperation with Kirtland Community College, will be conducting a course on "Investigating Child Abuse and Neglect."

The course will be held in the Kirtland Community College Auditorium on Tuesday, November 2, from 9 a.m. to 4 p.m. Sergeant Jack Shepherd, Michigan State Police Community Services Section, East Lansing, will be the guest speaker. There is no charge.

The course content will include wound identification, injury reconstruction, burns and sexual abuse in children.

Interested persons must pre-register by October 20, 1982. To pre-register, or for further information, contact Vahan Kapagian, Law Enforcement Supervisor at Kirtland, at 517-275-5121, ext. 283.

Hanson Park Gearing Up For Ski Season

During the course of the summer, many changes have taken place at Hanson Park, the local Community Recreation Area. Pedal boats have been put on the pond, a softball field installed, numerous other recreation type activities installed and a good deal of painting and maintenance has been accomplished also. With the beginning of October however, all efforts at Hanson Park is being directed toward making the approaching ski season one of the finest the park has ever known. Already much has been accomplished, new cross country trails, re-shaping of the top of the hills, the widening of the tow line for No. 5 and the removal of trees on the face of No. 3.

Memberships for the 1982-83 ski season are right now on sale and a 10% savings can be taken advantage of if memberships are purchased before November 1. Presently, Hanson Park is asking those people who plan to purchase memberships to do so prior to November 1 as the money derived from the sale of these memberships is needed to complete these pre-ski-season repairs and improvements. It is hoped that in the future this will not be necessary as the park hopes to become a year round self supporting recreation area. At such time as that happens, there will possibly no longer be a need for season memberships. As of right now however, the need is very great. If you plan to purchase a membership this year, please do so at your earliest possible convenience. Memberships may be purchased at either Hanson Park or at the Grayling Township offices.

Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 5-10 & 12 Oct 1982.

Firing will be performed in the following range area:

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97.

The range will be closed to the public during the period 5-10 & 12 Oct 1982 and all persons are warned to stay out of the area identified.

Weyerhaeuser Plant Manager Tony Moore Speaks Before Group

by Don Geiss

During a recent breakfast meeting held by the Industrial Development Committee of the Grayling Regional Chamber of Commerce, Weyerhaeuser Plant Manager Tony Moore reviewed the history of the plant locating near Grayling.

Moore said that the company is conservative in terms of ventures where they are not associated with their own large landholdings. He commended state officials for having available the major information of locations throughout the

state and being willing to work hard in obtaining new industry.

In discussing the types of factors that caused Weyerhaeuser to locate here, Moore listed the items that are considered about a community. He listed a positive attitude by the community for new industry, adequate housing, good schools, police and fire protection, hospital and medical facilities, churches of many denominations, tax base, community open in civic matters, recreational opportunities and quality of life.

Moore also noted that many governmental organizations were called upon to assist the company in obtaining and training personnel. He specifically mentioned employment screening by the MESC office, Grayling High School for initial screening of candidates, and Kirtland Community College for testing and training.

Moore said that the company is working on the production of a video tape about the plant in production and will make it available to local civic groups. He said that plant tours will be conducted starting in the spring.

Why American Red Cross?

by Harrison Goodhue

In an article under this headline last week in the Avalanche we promised to answer part of the "Why American Red Cross" by telling you this week of the primary Service the Congress of the United States mandated American Red Cross to render in its Charter:

i.e. "to render assistance as needed to the members of the Armed Forces of this Nation, their Families and to the Veterans of the Armed Forces of this Nation, in times of Peace as well as War."

Well, what assistance does Red Cross provide our Servicemen, Servicewomen, and their families? What assistance to our Veterans?

Let's begin by outlining how Red Cross helps our Service people and their Families. First, and foremost, is the amazingly effective world wide communication system Red Cross maintains between our Servicepeople - no matter whether they are in the U.S. (including Alaska and Hawaii) or are stationed somewhere overseas or are in a ship or submarine at sea.

There are a little over 3000 Red Cross Chapters, literally one in every county

at least, and any Service person, or that Service person's spouse, parents or children can call their local Red Cross Chapter and ask for a message to be sent in an emergency. Or the Service person can ask his local Red Cross Field Service representative, or his Commanding Officer when at Sea, to send an emergency message to his home or vice versa.

If the Service person is located in the domestic U.S. the local Chapter will call that Service person's base and deliver the emergency message to the Red Cross Field Service Director, who, in turn, sees that the

message is promptly delivered to the Service person, or to the Service person's commanding officer. If the Service person is located Overseas the local Chapter will phone AMCROSS at Washington DC. AMCROSS is capable of communicating by voice to every established U.S. Military Base outside the domestic U.S. and to ships of the U.S. at sea.

There is no charge to the Serviceman's Family or to the Serviceman or Servicewoman if the call is an emergency.

If the message involves a request for the Service person to return home because

Girls Beat Boyne 48-45

The girls Vikings beat Boyne City 48-45 and played well against tough Petoskey losing 56-50 in their first week of Michigan Huron Shores Conference play.

Karyn Reynolds scored 19 points to pace Grayling against Boyne. Grayling was in command of the game 22-14 at half and 34-29 at three quarters, but Boyne slipped ahead with about two minutes to go. Grayling came back to record their first league win and even their conference mark at 1-1.

Petoskey handed Grayling its first league defeat but not before the Vikings gave them a battle on the Petoskey court. Although Petoskey has two six-foot players and are favored with Cheboygan to win the

league, head coach Tom Mills said his club rebounded well against them. Grayling helped Petoskey's cause at the free throw line hitting only 8 of 21 while giving Petoskey 31 tries which resulted in 18 points.

Grayling, behind the scoring of Kris Laudenslager 11, Heidi Bendig 10, Reynolds 8, and Shelly Trenary 8, led for three and a half quarters at Petoskey.

Against Boyne, Laudenslager added 10 to Reynolds 19, Jenny Riker scored 7, Bendig 6, and Celina Eshenroder scored 6.

The Grayling J.V.'s notched two more wins to up their record to 7-0.

Grayling traveled to Cheboygan Tuesday and entertains Gaylord Thursday.

120-Bed Nursing Home Proposed For Grayling

by Jon Thompson

An Ohio company has proposed building a 120-bed nursing home costing \$2.3 million in Grayling.

Convalescent Management Inc., of Columbus, Ohio, wants to construct a single story facility for long-term care patients on five acres within the Grayling city limits.

The company has filed an application with the state dept. of public health which has to approve the project. If the state approves, construction could begin next spring with the completion date set at Jan., 1984.

A preliminary step for the project before state approval is a recommendation by the Northern Michigan Health Systems Agency. The board of directors of the

agency will meet Oct. 20 at 1 p.m. at the Gaylord Chalet restaurant and the public is invited to attend and speak on the proposal.

The proposed facility, called the Grayling Health Care Center, will serve both Crawford and Roscommon counties. A 1982 Northern Mich. Health Systems Agency study of the area predicted Crawford Co. will need 69 additional beds and Roscommon Co. 158 more beds in nursing homes by 1985. Currently, Crawford has a 40-bed unit at Mercy Hospital and Roscommon Co. has a 50-bed unit.

Recently, a 120-bed unit proposed for Roscommon County by Provincial House was cancelled. The project, to be built near the Village of Roscommon, had been approved by the state.

732 Sign Petition Asking For Airport Zoning Vote

by Jon Thompson

A petition signed by 732 persons has been turned in to the county commissioners requesting a vote on a Grayling airport zoning ordinance.

The county commissioners adopted a new airport zoning ordinance Aug. 8 but the petition asks for the ordinance to be submitted before the voters for their approval or disapproval.

"We think the airport zoning is important enough to be voted on by the people," said Earl Johnson, of Grayling, who filed the petition.

Johnson said the 732 signatures were collected within four or five days. The

petition was filed Tuesday, Sept. 26, on the last day of a 50-day deadline for filing after the county adopts a resolution.

The county commissioners directed the petition signatures to be verified by township clerks and city clerk. Once that is completed, the county checks if the number of valid signatures is at least 20 percent of the electors in the residing district to be affected by the zoning.

The zoning covers a 25,000 foot radius from the end of each airport roadway - about a 4 1/2 mile area including the entire city and parts of Grayling and Frederic townships.

If enough signatures are

on the petition, then a vote on the zoning will take place at the next regularly scheduled election. The petition was filed too late to be placed on the November ballot. The petition specifically asks the vote take place at a regular election to avoid the cost of a special election.

The zoning deals with height restrictions on trees and structures and other objects deemed hazards to flying. New structures over 35 feet will require a permit and trees will not be allowed to grow to a height over the limits set in the zoning. The height limits vary with strict limits imposed close to the airport and less severe limits set farther away.

Weyerhaeuser Ships 1st Load of Structurwood®

The first load of Structurwood® made from Weyerhaeuser's new \$60 million plant on Four Mile Road was shipped Thursday.

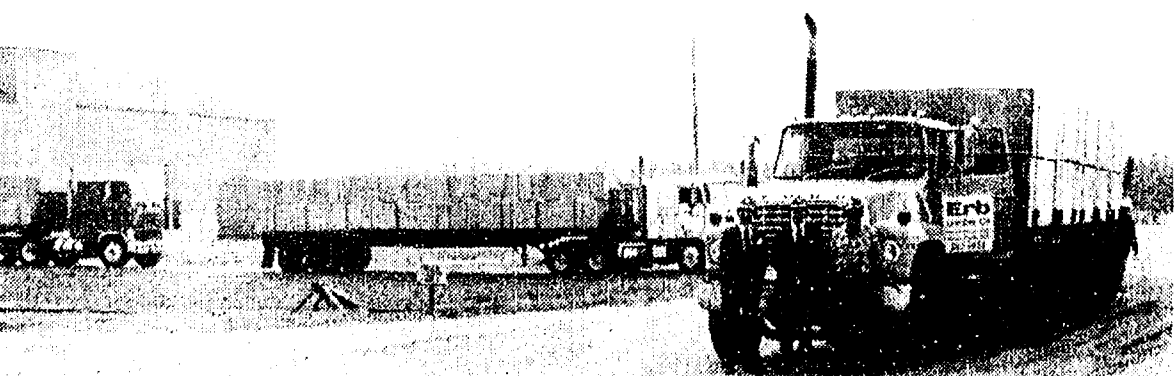

Erb Lumber Company, of Birmingham, Michigan, received the first load produced by the new mill employing more than 100 persons. The shipment represented the complete cycle of production - from local raw materials, production, and distribution, to sales and end-use - all within the state of Michigan. The Structurwood® panels in the first load are headed for use

at a Westinghouse plant in Grand Rapids.

"The first load is classified as starterboard and was produced during the initial start-up period," stated Tony Moore, manager of the Grayling mill. "As mill personnel fine tune the production, process control and quality assurance systems, production will shift from non-structural applications to structural panels bearing the certification stamp of the American Plywood Association."

Structurwood® is Weyerhaeuser's latest entry into

the structural panel market. Technically classified as oriented strand board, Structurwood® is made of wood flakes and resin which is pressed into panels. Daniels noted that "the crosswise layers of strands produce the structural strength of plywood without many of the faults associated with plywood. Because of its unique strength properties it will replace plywood in many traditional building construction applications and in a wide variety of industrial uses."

SHIPS FIRST LOAD—The first load of Structurwood® left the new Weyerhaeuser plant south of Grayling last Thursday. Erb Lumber Company of Birmingham, Michigan, received the first load. Patrick Young, (center) Vice-President of Erb Lumber Company, said he is "pleased that Erb, one of the state's largest distributors of wood products, can participate in distributing the first production from Weyerhaeuser's new Structurwood® mill. The mill is an important asset to the Michigan economy in that it is providing jobs while producing a new product from locally acquired raw materials." Also pictured is Jim Haney, (left) an Erb Lumber Company buyer, and the truck driver from Erb hauling the first load.

Teen Challenge Here Oct. 10th

The Grayling Assembly of God, 911 Elm Street, will be presenting Teen Challenge of Muskegon on Sunday evening, October 10 starting at 6:00 p.m.

Teen Challenge is a Christian organization that deals primarily with drug addicts and alcoholics. The students will be sharing their life stories and how they experience a total life change from drugs and alcohol by acceptance of Jesus Christ as their Saviour. Rev. Don Bell, assistant director, will be presenting a timely message that will challenge you. There will also be special music.

Rev. Donald Roberts, pastor of the local church, and his congregation extend a welcome to the public to attend this special service.

CARD OF THANKS

of critical or terminal illness, or of an actual death; the local Red Cross Chapter verifies the criticalness of the illness or the actual death and so notifies the Military who accepts Red Cross verification and authorizes the release of the Service person if the situation falls within Military policy.

Only a few hours is required for completion of such emergency messages when the sender has the correct serial numbers, service person's rank, address and APO number if located Overseas.

In addition money can be transmitted instantly between the Service person and his home - either way! If from home to the Service person, all the sender has to do is give the money to the local Chapter who authorizes it's release to the Service person and when the Field Director sends a record of the delivery to the local Chapter, the funds are transferred to offset the delivery to the recipient.

Every type of human relations problem comes up in SMF&V work. Allotment checks fail to arrive; a child becomes ill; a wife is hospitalized; an automobile accident; the whole gamut of human emergencies which become vital to the Service person and his or her family are the standard daily fare of the Volunteer SMF&V workers and the paid professional Red Cross SMF&V Staff.

SMF&V, however, is much more than a communication service in emergencies, Red Cross is the Serviceman and Servicewoman's friend. They are in "their" corner when they have problems, both while in Service and after they are discharged, upon completion of their enlistments.

Veterans benefits are many and complex. Fair administration of such benefits is a difficult problem for the Military. The benefits range from college education financial assistance to medical care in Veterans Hospitals and to permanent or temporary pension benefits for injuries or illnesses related to Military Service.

The documentation of such applications for benefits and for reclassification of other than Honorable Discharges is complicated and detailed. Presentation of such claims and supporting evidence to Military Appeal Boards at their various levels is frequently beyond the competency of the Service person.

American Red Cross, through its SMF&V operations, is ready to assist any Service person or Veteran in such appeals.

The proof of Red Cross effectiveness in the fiscal year ended June 30, 1982, on behalf of Servicemen and Servicewomen can best be judged by announcing that seven Crawford County Veterans received \$25,957.56 in benefits through the efforts of this Chapter and the national Red Cross SMF&V Staff and that nationally, in the same period over \$200 million in additional benefits were obtained for Service Veterans through the help of Red Cross.

Virtually 95% of the SMF&V work performed in the domestic U.S. at the approximately 3000 Red Cross Chapters is done by Volunteer workers. Over half of the SMF&V work performed at Military Bases in the domestic U.S. is accomplished by Volunteers. Most of the SMF&V work at Overseas Bases is done by paid Red Cross Staff workers, but the balance is done by Volunteer Military Wives who have joined their husbands at Overseas locations.

Yes, Red Cross does wholly fulfill it's responsibility to serve the members of the Armed Forces of the United States, their Families and Veterans.

If you were in Military Service, or had a child or spouse in Military Service, you would want American Red Cross and it's SMF&V Workers on your side! And you would undoubtedly be more than willing to support Red Cross financially so they would be sure to be able to implement their SMF&V Services for your kin.

Viking Athletic Club Formed

The Viking Athletic Club meets every Friday night at 8:00 p.m. in the high school cafeteria. It is a group that has set a goal to rekindle community spirit in athletics and offer support to the teams. This is our town and our kids represent Grayling - let's show them that we care - besides the games are fun and it is a good way for the community to be together. Good entertainment!

The new formed V.A.C.'s would like to thank all the merchants for using their bill boards and signs in support of the Viking Homecoming. It was great to see all the support around town.

At Friday's game here against Gaylord the game ball will be raffled. Get your ticket from a member - Terry Lucksted was the winner of last Friday's game ball.

The Viking Athletic Club has been busy. On Sept. 7th they had a hot dog roast for the Varsity and J.V. teams after practice. On Friday, Oct. 1st, before the game against the Hurons the Varsity football team was served a delicious spaghetti dinner. The next event is "Green & White" night at the Girls' basketball game Tuesday, Oct. 12th at 6:15. Wear "Green & White" to the game and receive a free chance towards a \$10.00 gift certificate from Little Caesar's Pizza.

Come out and support our kids and our town. Friday football here - Varsity. Thursday football J.V. at Gaylord. Girls' basketball here on Tuesday. Join the Viking Athletic Club! Monday night at 8:00 in the High School cafeteria.

Hanson Park to Offer Class In Tax-Advantaged Investments

Three classes are still in the offering of the Grayling Recreation Authority's community enrichment and education program which is being conducted at Hanson Park. Oil painting and beginning folk guitar will meet on Wednesday evenings beginning October 6. Both classes will meet in the main lodge building at Hanson Park at 7:00 p.m. There is a \$12.50 tuition fee for both oil painting and folk guitar. The classes will meet for two hours a night for 8 weeks.

Beginning Thursday evening, October 7, the Grayling Recreation Authority will be offering, in cooperation with Thomson-McKinnon Securities Inc., a class in The Fundamentals of Tax-Advantaged Investments. This class will meet for the next five Thursday evenings at 7:00 p.m. in the main lodge of Hanson Park. There is a \$5.00 tuition charge for this class. Topics to be covered in this class will include: The four questions to ask yourself before you invest, Why Congress has allowed tax-advantaged investments and the determination of what tax bracket you are in. The second class will deal with types of investments, the bond market including municipal bonds and other money market funds. The third session will deal with strategies in the stock market, mutual funds and how to read the Wall Street Journal. Class number four will deal with investing in income producing properties including oil and gas properties. The fifth and final class will explain how federal estate taxes can be reduced, individual vs. joint ownership of assets, gift giving and planning your retirement.

Registration for all three of these classes can be completed the first night of class. For further information, contact Hanson Park at 348-9266.

Grayling, Michigan—Thurs., Oct. 7, 1982

From Our Corner...

Last Thursday we had the opportunity to take a tour of the new \$60 million plus Weyerhaeuser mill being constructed on 4 Mile Road south of Grayling...and believe us it is huge...Ed Wyle, Human Resource Manager, for the Grayling Mill gave us the tour which included from the bare log that was hauled in from the nearby forests to the finished product which is called Structurwood® ...

We watched how the logs are put through a bath prior to going to the debarking stage and on through the chipping process before being mixed with resin and laid on large sheets prior to the pressing process that binds the chips together and moved on through saws for the finished process...

While there, we watched the first trucks being loaded and leave the Mill about noon Thursday...this was the first shipment by the Mill since the building was started...we were told there is much yet to be done before the Mill will be in full capacity for turning out the Structurwood® sheets...

There is nothing wasted from the wood that comes from the forest to the end product...all chips, sawdust trimmings from the sheets are used for heating the Mill...with this type of heat there will be nil in pollution problems...

The Mill is operated on all types of sophisticated electronic elements from closed circuit TV that checks each of the points of operation and data components that control the process of making the Structurwood® sheets...

It was ironic that Thursday morning the ol' fella rolled out of the sack to attend the Eggs and Issues breakfast at 7:30 a.m., that's dang early in the morning to us...at the Chief Shoppenagons Hotel, held by the Industrial Development Committee of the Grayling Regional Chamber of Commerce...

Tony Moore, Plant Manager of Weyerhaeuser's Grayling Mill reviewed the history of the plant before the parent company's decision to build the plant here...many things were in the prospectus such as availability of the raw product, Aspens, which is the type of wood for the making of Structurwood® ...the availability of transportation, highways and railroad...is the community progressive...the type of school system available...hospital facilities...and the working with several federal, state and county agencies in working out tax breaks...

Moore told the group that it wouldn't be until spring and possibly longer before the Mill could be ready for groups to tour the facility...

Looking to the future...Structurwood® hopefully will be related to Grayling, as Bear Archery was for so many years...

We mentioned when we were deciding to put in solar heat we'd let our readers know what it is like...our's has been installed for about a month...and we are well satisfied...you do not feel the warm air circulating around like a furnace fan...what one feels is warm and the furnace is not running...also there is no fuss or mess with it, all you do is let the sun do it for you...

Now that Spike is back in his winter home in Arizona, and won't be able to give us the business about why do we have to write about the weather...we're going to let the readers of the Avalanche that do not reside in our area that we have had two beautiful days to start off the month of October and hopefully it is a sign for the month ahead...September didn't help us a bit, and we are getting too close to that white stuff we go through for some four months...

No one asked this Monday about wearing our Big M Cap as they have done for the past two weeks...maybe the Go Blue has righted its train and will make Emil, Bob, Fred and a few others in town have a happy smile on the next Sundays during Football madness...that way we can forget about the Lions...which makes us sick when they strike while making the bucks the professionals make...

Time to call a halt to this turkey...goodnight T.J., Stefany and Amber...and to all have a happy weekend...

Roscommon is once more a busy town. More civic improvements are being made this fall than in the past number of years.

The Bible Speaks

From Calvary Baptist Church

The Righteousnesses Israel is Missing Romans 10:5-13

Israel missed the righteousness of the law because it demanded perfection. "For Moses describeth the righteousness which is of the law, That the man which doeth those things shall live by them." Verse 5. As James also said, "For whosoever shall keep the whole law, and yet offend in one point, he is guilty of all." James 2:10.

Israel missed the righteousness of faith because Israel would not simply believe God's Word concerning the Lord Jesus Christ. Faith in the finished work of Jesus Christ does not question the ascension of Christ. "But the righteousness which is of faith speaketh on this wise. Say not in thine heart, Who shall ascend into heaven? (that is, to bring Christ down from above.)" Verse 6. Faith in the finished work of Jesus Christ does not question the death or resurrection of Jesus Christ for sins. "Or, Who shall descend into the deep? (that is, to bring up Christ again from the dead.)" Verse 7.

Israel had opportunity to believe and confess the word of God concerning Jesus Christ because it was preached to them. "But what saith it? The word is nigh thee, even in thy mouth, and in thy heart: that is, the word of faith which we preach." Verse 8.

Israel was not willing to believe God's Word in their heart, neither were they willing to confess Jesus Christ as Lord. "That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved." Verse 9. Israel had every opportunity to exercise heart belief in the death, burial and resurrection of the Lord Jesus Christ for their sins, yet they refused to either believe or confess Him.

Exercising heart faith un-

to righteousness requires complete inner sincerity and public confession. "For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation." Verse 10.

Israel had the promise of the scriptures that God would save them. They had no need to worry about God's faithfulness. "For the scripture saith, Whosoever believeth on him shall not be ashamed." The Jews knew that God was not a respecter of persons. "For there is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that call upon him." Verse 12.

Israel missed the final assurance of faith in the finished work of Jesus Christ. They failed to call upon Jesus Christ to forgive them of their sins and to enter their hearts. "For whosoever shall call upon the name of the Lord shall be saved." Verse 13. Divine election promotes individual responsibility. One can have no assurance of being God's elect until he believes with all his heart in the death, burial and resurrection of Jesus Christ for his sins, has confessed Him as Lord with his mouth, and has prayed to Jesus Christ to save him. BOW OR FLY ROD

Bow Season is off & running with at least a six point, two spike horn and a doe being harvested in the opening days. With temperatures reaching the high 60's just being outside is enjoyable.
While many of us pursue the whitetail with our bows & arrows, several local diehards are still trout fishing. The fly water areas are open until the end of October and word is good.

Threat to the Third World
Mycotoxins, a group of poisonous chemicals associated with moldy grains and dust and believed to have been used as weapons by the Soviets in Afghanistan, may cause potential harm in developing countries. Scientists say the danger comes from contaminated grain that is suspected to be a factor in liver cancer and other diseases.

Emily Adlen of M-72 east has recently returned from a visit with her family in Mt. Clemens and Roseville. Returning with her was her daughter, Betty Rumenapp. During her 3 week stay they took several color tours throughout the state.

State Retirees to Form Chapter

Retirees of the State of Michigan are in the process of organizing a North Central Chapter of the State Employee Retirees Associations in this area. An informational meeting was held at Houghton Lake in mid-September under the guidance of James German.

Because of the interest expressed at this meeting it was decided to hold an organizational meeting on Tuesday, October 12 at 2 p.m. at the Houghton Lake Community Center located just off M-55 behind the Pine Theatre. This meeting will be open to all retirees from the State of Michigan and to spouses of former State employees who are receiving or entitled to receive state pensions. Current employees of the State are also eligible if they are at least 50 years of age.

Forrest Annis of Grayling is serving as a member of the By-Laws Committee.

When the local area Chapter is organized it will join eighteen other Chapters state-wide in the State Employee Retirees Association (SEERA) to protect and promote adequate pensions for retirees and to serve as a social and benevolent organization.

Further information can be obtained locally by contacting Mrs. McMillen at 348-5996.

College Night Held at KCC

Approximately 450 high school students and their parents attended College Night 1982 at Kirtland Community College on Wednesday, Sept. 29.

Representatives from 38 colleges and universities and from the military services were on hand to assist students in making post-high school career and educational decisions. Kirtland Community College's Financial Aids personnel were also available, and gave a presentation on student financial aids.

Following the regular sessions, refreshments were served by the American Association of University Women. They were assisted with donations from the Hub Supermarket, Prudenville; Charlie Brown's Donut Shop, Houghton Lake; Narski's IGA, West Branch; King's Orchard, Houghton Lake; and McDonalds, West Branch.

Women's Club Luncheon

The Christian Women's Club of Houghton Lake and the surrounding communities will hold its monthly Luncheon Meeting, Tuesday, October 12, 1982, from 12:30-2:30 p.m., at the Holiday Motel on the Lake on Old U.S. 27.

You are cordially invited to attend this luncheon. The theme will be "Fall Into Fashion." The Special Feature "All about Quilting" by Nancy and Jane Ehinger. Quilting Specialists. For your listening pleasure, there will be musicals by Nancy Alford and her children, Heather and Casey. The Speaker, Jake Roberts, is coming from Eau Claire, Wi. Jake is a graduate of Central Michigan University, a Ski Instructor, formerly a Real Estate Appraiser in Cadillac, Mi. He is the father of two boys.

You will want to be at this Luncheon to enjoy these features and the wonderful food that awaits you for only \$4.50, at the Holiday Motel-On the Lake. Nursery care will be provided for the Luncheon at the United Methodist Church, 7059 West Houghton Lake Drive, M-55. Reservations for the children are necessary. For the Luncheon and the Nursery reservations, please call Louise Hammond at 422-5489 or Dolores Peckham at 821-9317. Reservations are necessary and cancellations are essential.

Invite a friend to come with you! She'll be glad you did!

THANK YOU

Doctors, nurses, sisters of Mercy Hospital, and Father Bill for responding so quickly when needed. Am. Legion Post 106 and honor guard from the air field and Camp Grayling for the ceremony at the cemetery. The Am. Legion Post 106 Aux. for the lovely and delicious luncheon. Grayling Elementary School News

On October 1st our class had a busy day. First, Jeff Cowie's mother brought in a dog named Benji. Benji is a golden retriever and is being trained to be a leader dog. Jeff has to train Benji for a year. After that Benji has to go through four months of school. If he passes he will be given to a blind person. If Benji doesn't pass the Cowies may keep him. Second we had a Substance Abuse program. The program was put on by Sgt. Paul Smith, Crawford County Sheriff's Dept. and Mrs. Ann Stephenson, 4-H leader. They talked about drugs and alcohol. They showed us drugs and pipes. We wrote something about ourselves and others would try to guess who wrote it. The last thing we did was to bake zucchini bread and it was good! By Teresa Ferguson, 5th grade.

Kiwanis News

Legislature Completes Bill Controlling Strip Mining

Warren M. Hoyt, Executive Director, MPA

During the final hours of the hectic budget session, the Legislature put the finishing touches on legislation placing strict control on strip mining activities in Michigan.

The action follows the letting of leases by the Dept. of Natural Resources to mining companies on hundreds of thousands of acres of land in mid-Michigan.

The bill, presented to Governor William G. Milliken for signature, would strengthen state laws which officials in the dept. called the weakest strip mining act in the country.

The state has an estimated 400 million tons of coal, located mainly in the southeastern half of the Lower Peninsula.

While there has been no mining currently, several companies are interested in beginning facilities in Michigan.

Under the measure, a mining company would have to get a permit before beginning work and the permit would have to include plans for reclaiming the area to be mined.

Land would not have to be reclaimed to exactly its former state, but would have to be restored to a productive, compatible use. For example, pasture land could be restored to crop land.

The bill further gives state authorities the power to examine former mine sites for damage brought on by mining and can acquire land damaged by mining in order to have it reclaimed.

An abandoned mine reclamation fund would be created, consisting of application fees, donations and specifically appropriated monies and the funds will be used for reclamation projects and the protection of public facilities, such as roads damaged by mining activities.

Under the bill, coal companies would have to pay up to 25 cents for each ton mined to the state to help administer the mining regulations

and each coal company would have to provide a bond to cover the costs of a reclamation project.

Opposition Surfaces to State Police Staffing Proposal

Warning that Proposal B, which guarantees minimum staffing levels for the State Police, could also mean unchecked police powers for the agency, a group called Concerned Taxpayers for Law Enforcement has formally announced opposition to the constitutional ballot proposal.

Gus Harrison, chairman of the group and former lottery director and Dept. of Corrections director, said the group with little money, would try to educate voters on what they saw as the full impact of the proposal.

The proposal establishes the Dept. of State Police in the state constitution and specifies that the number of troopers employed by the dept. not fall below the levels of 1980 unless the population declines.

This would mean the immediate hiring of more than 100 troopers to bring the current levels up.

Harrison said to bring those numbers up to the required levels would require the expenditure of more than \$4 million and bring about the layoff of as many as 200 civilian personnel.

He said the proposal would provide itself inefficient and impair the management flexibility of the dept.

But the central question, he said, in opposing the proposal is "do the citizens want to give a police body this kind of autonomy and authority?"

Harrison said that section of the proposed amendment granting the dept. "full police powers and duties, in addition to those otherwise granted by law" could give the State Police the power to re-institute the outlawed Red Squad which monitored and kept files on individual citizens.

Announce Engagement

Mr. and Mrs. Arthur J. Lozon are proud to announce the engagement of Margine Kay to Michael Joseph Jurkovich, son of Mrs. Frances B. Jurkovich. A June wedding is planned.

Masons To Meet

There will be a regular communication of Grayling Lodge No. 356, F&AM on Thursday evening, October 7th at 7:30. An election for "The Mason of the Year" will be held and all members of this lodge should attend to exercise their voting rights on this issue.

After Lodge there will be a short Masonic educational program, with coffee and etc. in the dining room. There will not be a dinner for this night.

Editor's Mailbox

Dear Whitey: We want to tell all of Grayling what a special time we had on Thursday the 16th out at Hanson Hills Community Recreation Area. The lodge was packed just like the "old days". Yes, there were several citizens at the park for the first time in years. Dancing, refreshments and prizes were enjoyed by all. Terry Stoddard and the Arcade provided an all around fun time with ballads, waitzies, foxtrots, polkas and rock. We didn't spend time in our seats, that's for sure.

In years gone by the park was the place to get together and communicate, enjoy and learn about our neighbors. There was much of that Thursday night.

We have always felt that this is one great town and at the benefit party it was again proven. Girls basketball and J.V. football were two major events of the evening; however, patrons of the park came to the dance after the games. That was neat! Friends and neighbors from the businesses, schools, government units, medical fields, laborers and senior citizens were joined together in a single group enjoying themselves and each other.

Of course, the greatest "Thank you" goes to the ever faithful merchants of our town. Their donations of over 150 prizes were absolutely unbelievable in these times of economic stress. They are a unique group of people that we appreciate very much. There are few towns that can boast about their merchants like we can. Please notice our special thank you in this paper.

Thank you, Thank you Grayling for a special evening and the donations to the Hanson Hills Community Area. We are looking forward to a good season and hopefully, some more fun nights where we can just be friends together.

Sincerely,
Marty VanDeVen
Pauline Petrosky

The Senior Citizen's Mixed Bowling League is in need of both ladies and gentlemen bowlers. They bowl on Tuesday afternoons at 1:30.

Please call Earl Klug at 348-7553 if interested in bowling with us.

Lovells Home Extension

The Lovells Home Extension Group met on Wed., Sept. 8th at the home of Kathryn Jones with 18 members and 7 guests present: Gladys Shuman (Kathryn's mother), Geneva Grieves, June Hartwig, Marion Kellogg, Olive Kellogg, Muriel Reeder and Loretta Pierce. A lovely luncheon was served by hostess and co-hostess, Leona Nichols.

The meeting was opened by Chairman, Velda Marshall. Secretary/Treas., Irene Honey gave her report. A letter from former Chairman Betty McGowan was read. A thank you from High School graduate, Jill Behlke for the college scholarship she received from our group. A thank you from Olive Lewis for her birthday gift.

Reports were given by various chairmen: Health-Vickie Davio, "Take It Off; Pounds and Inches." Create a new you, one who eats to live, not live to eat. Don't snack.

International - Mildred Johnson, mentioned that September 12th was Grandparents Day. This special day was initiated in Sept. 1978 and is always the first Sunday after Labor Day. She asked for reports on Canada at our next meeting. She gave a report on Bingo that we hold for Timberview residents once a month and displayed a lovely plaque that the residents gave us in appreciation.

Membership - Sophie Koernke, invited several visitors to join our club.

Cultural Arts - Betty Lake, discussed toxic plants, indoor and outdoor types such as English Ivy. Most types of lilies contain oxalide which may be harmful if eaten. Children may eat leaves of plants, 80% of people who become ill from plants are children.

Safety - Kathryn Jones is our new chairman.

Communications - Hazel Koernke gave a quiz on self-worth. Don't down grade yourself or be afraid to "blow your own horn". Koernke also gave a report on one class attended at college week "Make the C in clothing stand for class".

Sophie Koernke was the mystery package.

The next meeting will be on Wednesday, Oct. 13th at the women's clubhouse with Sophie Koernke as hostess.

Roll Call will be "My Pet Peeve", a silent auction will be held.

Please notify your hostess in advance if you do not plan to be present.

The 1982 Fall District meeting of the Michigan Association of Extension Homemakers was held on Thurs., Sept. 23rd at Petoskey, Terrace Inn, Bay View. Eighty-five women attended.

This year's theme was "Motivating for Greater Strength."

At the close of the morning program, luncheon was served. The afternoon was devoted to the various workshops: Health, Safety, International, Citizenship, Cultural Arts, Family Life, Membership, Public Relations.

Ten members from the Lovells Extension attended the meeting.

ABWA Fashion Show Oct. 28th

By Betty Bennett

It's time to think fall and winter fashions, and it's time again for the ABWA Annual Fashion Show. Over the years this event has grown in popularity and draws an "sro" crowd.

This years event will be held at Scheys Country House at 7:30 Thursday evening, October 28th. ABWA will provide a non-alcoholic beverages and hors d'oeuvres...and door prizes donated from local business places.

Grayling's favorite mc, Wayne Hindmarsh, general manager of WQON radio, will be at the microphone with his always bright and descriptive commentary for each ensemble.

The theme this year will zero in on "The Business Woman - Her Fashion from Breakfast to Bedtime". Fashion shops from Grayling, as well as our neighboring communities of Roscommon and Houghton Lake will be represented. Local beauty salons will be showing off hair styles and make up for the career minded woman.

We will be showing more sports, lounge and leisure wear, and lingerie. You won't want to miss this special evening. There will be everything from teddies to togas. Just the right outfit to make you the only Christmas present he desires.

RSVP Reports

by Sherry Haag Director

Volunteers are involved in several areas at the Crawford AuSable Schools. RSVP volunteers at the Elementary school provide 1 to 1 help with children that have reading difficulties. Seniors serve 3 hour shifts working at the Remedial Reading class. Mrs. Knepp, the teacher, provides the lessons, materials and training. Children arrive on a scheduled basis and work with the volunteers on their lessons for the day. Experience has shown this individual attention is very important to both the student and the volunteer. In a new program just started, volunteers will be working at the high school library. Last year, due to limited funds, the high school library was closed. However, teachers were allowed to use the facilities on a limited basis for research projects. Consequently, things are out of order and the librarian is not too sure of what is on the shelves and what isn't. RSVP volunteers will be working with the librarian to help inventory, catalog and update files. Later, volunteers will work in compiling bibliographies for use in research and study programs for various classes.

RSVP volunteers are very much involved at Mercy Hospital. Members of RSVP are also members of the Hospital Auxiliary. These volunteers work to raise monies to aid the hospital. Volunteers run the gift shop, deliver flowers and mail, register visitors to the hospital and many more activities. RSVP volunteers also provide transportation to needy patients who need further care at Munson in Traverse City and Burns in Petoskey. Volunteers provide patients with transportation to doctor appointments in town if they are unable to find transportation. Future programs are being developed for use in the long term care unit. Volunteers could aid in craft projects and other areas at the unit. These are just two places where seniors, 60 and over, are active with RSVP in Crawford County.

Volunteers are also needed at Day Care Center to rock, cuddle and change children ages 6 months to 2 1/2 years. You choose your own time. 4-H Office and the Chamber of Commerce need volunteers to answer phones and take messages. The high school needs library aides for inventory and cataloging. Matson's Adult Care Home needs volunteers to play cards with residents once a month or once a week or just spend time visiting. If interested in any of the above assignments, call 348-4341 or 348-8322.

Doodles From The Tall Timber

Wendell L. Hoover Park Interpreter

Skins of southbound geese in a glowering rain-filled sky, flocks of black-birds, the common grackle and the absence of robins are among the many indications of a waning summer. In case you have not noticed, the wet weather has made conditions right for the appearance of a bewildering variety of mushrooms, toadstools or fungi.

I am not an authority on fungi, but I have noticed several varieties of the species known as Amanitacae or more commonly called Amanitas. One of my source books lists eleven varieties in the family with one listed as choice for eating, two as being probably edible, and eight as being poisonous. The problem with the one which is edible is that it bears such close resemblance to the other family members that positive identification is extremely difficult. Another source I have states: "Even the specialists disagree on the identification of the species in the genus Amanita. Amanitas probably account for 90 percent or more of the lethal poisoning by mushrooms in the United States."

Amanitas usually grow in groups, but sometimes singly, in open woods, or brushy areas of pastures. They vary in color from yellow to orange, brown, reddish, olive and chalky white. Mortality ranges from 50 to 90 percent of those affected and even one of these mushrooms can kill even after cooking. The only safe rule is to eat only those mushrooms which have been identified beyond doubt, which are known to be wholesome.

Fair Association Meeting Held

Now that officers have been elected and various committees organized, the County Fair Association is eager to get to work with the enormous task of getting the 1st annual County Fair underway.

They have a lot of good ideas about how to do that and welcome suggestions from the community. Contact any board member pictured here for further information.

The tentative site for the fair is Hanson Park, Aug. 18-20th, 1983.

DNR Law Enforcement Notice

The Dept. of Natural Resources Law Enforcement Division would like to remind everyone that it is now unlawful to use an artificial light to locate wild birds and animals between the hours of 11:00 p.m. and 6:00 a.m. at any time of the year.

Between dark and 11:00 p.m. it is lawful to use an artificial light to locate game if there is no firearm, bow or other weapon capable of shooting a projectile in possession or under control of the persons involved.

We thank everyone for their cooperation and ask that they Report All Poaching by calling 1-800-292-7800 or their local Conservation Officer.

Clay-Duck Hunt Success

The first annual Grayling Clay-Duck Hunt, sponsored by the Grayling Sportsman's Club and Michigan Ducks Unlimited, was a resounding success. Shooters from all over the state were here to compete for over 60 prizes on August 29 at the Grayling Sportsman's Club trap and skeet ranges.

A total of 60 targets were shot at in three different 20 target events, which were set up to simulate typical field hunting situations. Shooters shot from two different duck blinds and while walking.

As expected, scores were low, and Larry Robinson, from Lupton, Mi won Hi Overall honors with a score of 39/60. High Ladies trophy was won by Margaret Robinson of Lupton and High Junior trophy went to Gail Gould II of Five Lake.

These four winners received hand carved Taber duck decoys purchased with cash donations from Grayling State Bank, Northern National Bank, Clair's Standard, Old AuSable Sports Shop and Cornell Realty and Insurance.

Other local merchants that contributed merchandise were Krumrei Beverage and Fick and Sons Oil.

Local trap and skeet shooters generally did not fare well in the hunting style events and several requests not to reveal scores will be honored.

Ducks Unlimited is a national conservation group that purchases and improves wetland habitat as nesting and breeding areas for migratory waterfowl.

The Grayling Sportsman's Club is proud to have been part of this "first of its kind" event in the state of Michigan and its contribution to Ducks Unlimited's conservation goals.

Win-Some Women Retreat

The 11th annual women's retreat will be held at the beautiful Boyne Mountain Resort on Friday, Nov. 5th and Saturday, Nov. 6th. The retreat will provide an opportunity to join with other women for inspiration, fellowship and encouragement.

Millie Diener, wife, mother, grandmother and internationally known speaker for the Billy Graham Crusades will be the featured guest speaker.

A special Community Banquet, for men and women of all ages will be the highlight of the retreat weekend. Ernie Harwell, famous Tiger baseball sport announcer, will be the guest speaker. The program and dinner will be held Nov. 6th at 7:00 p.m. in the Boyne Mountain Convention Hall.

More information, registration forms and banquet tickets may be obtained by contacting your local area coordinator, Patti Shepler or they may be picked up at Davis Jewelry. The retreat is sponsored by the neighborhood inter-denominational Bible classes of Petoskey.

Old Business

The City Manager presented a draft copy of a letter to Mr. Duane Nimke of Mercy Hospital relative to the proposed future use of two (2) parcels of D.N.R. land. Council posed no objections to the letter as written.

Mr. Duane Nimke
Mercy Hospital
1100 Michigan Avenue
Grayling, Mi 49738

Dear Sir:
The City of Grayling has reviewed your request of July 21, 1982 regarding support for the eventual purchase by Mercy Hospital of Michigan D.N.R. properties described as:

Parcel 1, The Northerly 431' of the Westerly 600' of the NW1/4 of Section 8, T26N, R3W (Village), now City of Grayling, Crawford County, Michigan. Corner North Down River Road and Michigan Avenue.

Parcel 2, SW1/4 of SW1/4 excluding 3 acres in the SE corner. Corner North Down River Road and Roberts Road.

The City Council wishes to advise you that the long range plans for the City indicate that the best use for the 5.94 acres denoted as Parcel 1 would be for hospital expansion, health care and related office facilities. With regard to Parcel 2 which is located north of North Down River Road in Grayling Township we would note that the City is currently leasing the North 400' of said Parcel west of the East Branch of the AuSable River from the D.N.R. for well purposes. The City would have no objection to the use of the remaining portion of Parcel 2 for hospital or health care uses as long as the City could acquire the portion now leased for well purposes in order to insure continued viability of the water system.

I hope this letter will serve your needs at this time and would be available should you have further questions or needs.

Regards,
Jerry W. Morford, City Manager

Motion by Latuszek, supported by Sabin that Mr. Morford's proposed letter be approved and sent to Mercy Hospital. Ayes: 4, Nays: 0, Absent: 1, motion carried.

The City Manager reported on the 1982 Street Program. The underground work and curbs and gutters are completed and most of the gravel base has been installed. The project is approximately 62% complete with basically only blacktop and final trim and clean-up to be done.

The City Manager presented an invoice from Richards and Associates for engineering services performed on the 1982 Street Construction. The invoice was \$10,032.00. Mr. Morford recommended approval.

Motion by Golnick, supported by Latuszek that the invoice from Richards and Assoc. in the amount of \$10,032.00 be approved for payment. Ayes: 4, Nays: 0, Absent: 1, motion carried.

He also presented the contractors estimate No. 2 in the amount of \$98,832.88 and recommended approval.

Motion by Sloan, supported by Sabin that estimate No. 2 from Searles Construction Inc. in the amount of \$98,832.88 be approved for payment. Ayes: 4, Nays: 0, Absent: 1, motion carried.

New Business. There was no new business.

Pre-Planning Saves Lives In Fires

Fires in very tall or very large buildings make the headlines, but by far the most fires - and fire deaths - take place right where people live. Last year in the United States, 4,430 people lost their lives in home fires, and another 970 died in apartment fires.

Residential fires are not inevitable, however, say Mercy Hospital and the National Fire Protection Association. Neither are home fire deaths and injuries. By knowing the basics of fire prevention, having smoke detectors, and pre-planning what to do in case of fire, families can avoid the devastation that fire brings.

Most serious home fires are caused by careless use and disposal of smoking materials. Avoid smoking when over-tired, so you don't accidentally set fire to upholstered furniture or bedding by falling asleep, cigarette in hand.

Before retiring for the night, especially after having company, check under and between furniture cushions to make sure there are no smoldering butts or ashes. Many serious fires start by smoldering in upholstered chairs and sofas, only to erupt hours later when the family is asleep, N.F.P.A. studies show.

Other cigarette-related advice from Mercy Hospital and N.F.P.A. is to have enough large ash trays, designed so they won't tip; empty only when they're cold - never dump hot ashes into the wastebasket; and keep matches, lighters and other smoking materials out of the hands of children.

Electrical appliances and wires are another common source of dwelling and apartment fires, according to N.F.P.A. Wall sockets and plugs should be tight and unbroken. Wires and extension cords should be in good condition - replace any on which the insulation has frayed or cracked. Have faulty switches, motors and other parts repaired or replaced by competent electricians.

Every few months make a home fire safety inspection of your house or apartment. Discard old papers, cushions, curtains, clothing - anything you don't need that would add fuel to a fire and make it worse. Don't store gasoline in the same building where you live, and keep flammable household products in tightly covered containers, well away from the furnace or other heat sources.

In making your fire safety check, cover every level of

the house, from attic to basement. Don't overlook the closets. And include the garage, tool shed and other small buildings in your review.

Selected For Choir

Miss Nichole Kathrine Ney, age 6, is one of 86 children selected from 600 applicants for the 1st through 6th grade choir of Brentwater Air Force Base School, Ipswich, England. Those selected must both sing and dance. The choir performs throughout England as Junior Ambassadors of the U.S.A.

Her parents, Sgt. Rodney & Gail Ann (Fowler) Ney will travel as parent sponsors with the choir to a spring competition in Holland.

The Choir mistress requires high standards in scholastics, musicianship, self discipline and morals. Nichole is the granddaughter of Pat and Bernie Fowler of Grayling.

Road Commission Minutes

July 30, 1982

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairman Cason presiding. Present were: Chairman Grover Cason, Commissioners Gloria Kraus and Norman Parker, Engineer-Manager John Keir and Acting-Secretary Joanne Turner.

The minutes of the previous meeting of July 16, 1982 were read. Commissioner Kraus made a motion to accept the minutes as read, seconded by Commissioner Parker. All voted in favor, minutes approved.

Payroll Voucher Number 15 in the amount of \$21,127.31 and Material Voucher Numbers 417 through 423 in the amount of \$5,801.16 were presented to the Board for payment. Commissioner Kraus made a motion to accept the vouchers for payment, seconded by Commissioner Parker. All voted in favor, vouchers were approved and signed.

The Board reviewed and discussed the Bids for equipment and awarded Bids to: Scheer Motors, Inc. for two 1/2 ton pickups for a net price of \$14,496.00 and Duthler Ford Truck for two Tandem Cab & Chassis for a net price of \$80,850.00.

The Bid for Hopper Boxes is still under consideration and the award will be made when more information is received.

At this time the Bid for Surplus Equipment was opened. The only Bid received was from Mid Western Diesel for \$200.00 for the "A" Frame and \$250.00 for the Stand. After discussion, the Bid was awarded to Mid Western Diesel.

A discussion was held on purchasing radial tires to be used on the front of two trucks. Engineer-Manager Keir was instructed to obtain the tires.

Joe Wagner from Miller Equipment appeared before the Board inquiring on Bid results for Hopper Boxes. The Board informed Mr. Wagner the matter is still under consideration.

The Board examined a quote to place plastic liners at the brine well dikes and they agreed that it was acceptable.

At this time Commissioner Kraus made a motion to have a closed door session regarding negotiations with Teamsters Local No. 214. The motion was seconded by Commissioner Parker. Doors closed.

When the doors were opened, a motion was made and supported to adjourn the meeting. All voted in favor, meeting adjourned.

Road Commission Minutes

August 13, 1982

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairman Cason presiding. Present were: Chairman Grover Cason, Commissioners Gloria Kraus and Norman Parker, Engineer-Manager John Keir and Acting-Secretary Joanne Turner.

The minutes of the previous meeting of July 30, 1982 were read. Commissioner Kraus made a motion to accept the minutes as read, seconded by Commissioner Parker. All voted in favor, minutes approved.

Payroll Voucher Number 16 in the amount of \$19,318.03 and Material Voucher Numbers 424 through 475 in the amount of \$26,483.18 were presented to the Board for payment.

Commissioner Parker made a motion to accept the vouchers for payment, seconded by Commissioner Kraus. All voted in favor, vouchers were approved and signed.

Andie Neilson, Chairman of Roads & Bridges Committee appeared before the Board regarding the condition of Billman Road in Beaver Creek Township.

A permit was received from Top O Michigan for an aerial crossing on Stephan Bridge Road. After review, the permit was signed.

Engineer-Manager Keir informed the Board of a Northern Michigan Association Meeting in Alpena being held September 8 through 10, 1982. Preliminary discussions were held on possible 1983 F.A.S. projects.

Hopper Box bids were reviewed and the Board instructed Engineer-Manager Keir to inspect the Boxes made by the low bidder and obtain additional information relative to the hydraulic controls.

A motion was made by Commissioner Parker and supported by Commissioner Kraus to close the doors regarding Teamster negotiations. All voted in favor, doors closed.

Doors were opened and a motion made and supported to adjourn for lunch.

At 1:00 the meeting was resumed with a Hearing for an Abandonment of Alley in Portage Lake Park, 2nd Addition. In attendance: Bernie Fowler, Grayling Township Supervisor and Charles Spencer, Engineer-Manager Keir read the Petition of Abandonment and minutes from the Grayling Township Planning Committee recommending abandonment.

The Board traveled to the alley vicinity for an on-site inspection. Also Cedar Street and Madsen Street.

Upon returning to the office, the meeting was called to order by Chairman Cason. Commissioner Parker offered the following Resolution seconded by Commissioner Kraus.

WHEREAS, a petition was duly filed with this Board signed by freeholders of the Township of Grayling, Crawford County, Michigan for the vacation and absolute abandonment of that part of 12 foot alleys located within the 2nd Addition of Portage Lake Park, Grayling Township, Crawford County, Michigan described as follows, to wit:

ALL that part between Lots 1-10 and Lots 21-32 from Dicks Drive to a 12 foot alley in Block 6

ALL that part between Lots 1-11 and Lots 23-29 from Dicks Drive to a 12 foot alley in Block 7

ALL that part bordering Lots 11, 12, 13 - 22, 23, 24 from Lake Avenue to Ray Avenue in Block 7

WHEREAS, due hearing on said petition was held on the 13th day of August, 1982 and all of the freeholders present favored the petition, the petition was consented to at a regular scheduled meeting of the Board of Crawford County Road Commission held on August 13, 1982.

WHEREAS, the said part of alley above described and the lands adjoining the same have been viewed and inspected by this Board, and

WHEREAS, it appears that said part of the alley is not developed, and

WHEREAS, the developed portion is used only by adjacent low owners, and

WHEREAS, it is the opinion of this Board that the opening of said part of the alley would serve no useful public purpose and would require the expenditure of Public funds that would not be justified and,

WHEREAS, this Board believes it to be in the best interest of the Public that said part of the alley be vacated and absolutely abandoned, now therefore,

IT IS HEREBY RESOLVED, that the above described part of alley is hereby vacated and absolutely abandoned, and

IT IS FURTHER RESOLVED, that a full record and return of the proceeding in this matter be filed as required by law.

Ayes: Kraus, Cason, Parker

Nay: None

Resolution adopted.

There being no further business, a motion was made and supported to adjourn. All voted in favor, meeting adjourned.

Joanne Turner Acting-Secretary Gloria Kraus Vice-Chairman

Crawford County Public Transit

Proposed Section 18 Application for Operating assistance

All interested citizens are advised that the Crawford County Public Transit has prepared a Section 18 Application as required under the Urban Mass Transportation Act of 1964, as amended.

The proposed application is on file at the Crawford County Public Transit Office, Grayling Airport, Grayling, Michigan and may be reviewed between the hours of 9:00 a.m. and 5:00 p.m.

Under Michigan Transportation Commission Policy, any citizen who would be affected by the proposed application may request in writing that a formal public hearing be held, concerning the social, environmental, and economical effects of this proposal.

Such a written request should be mailed to Crawford County Public Transit, P.O. Box 166, Grayling, Michigan 49738. The request must be received on or before October 28, 1982.

Attend the Church of Your Choice

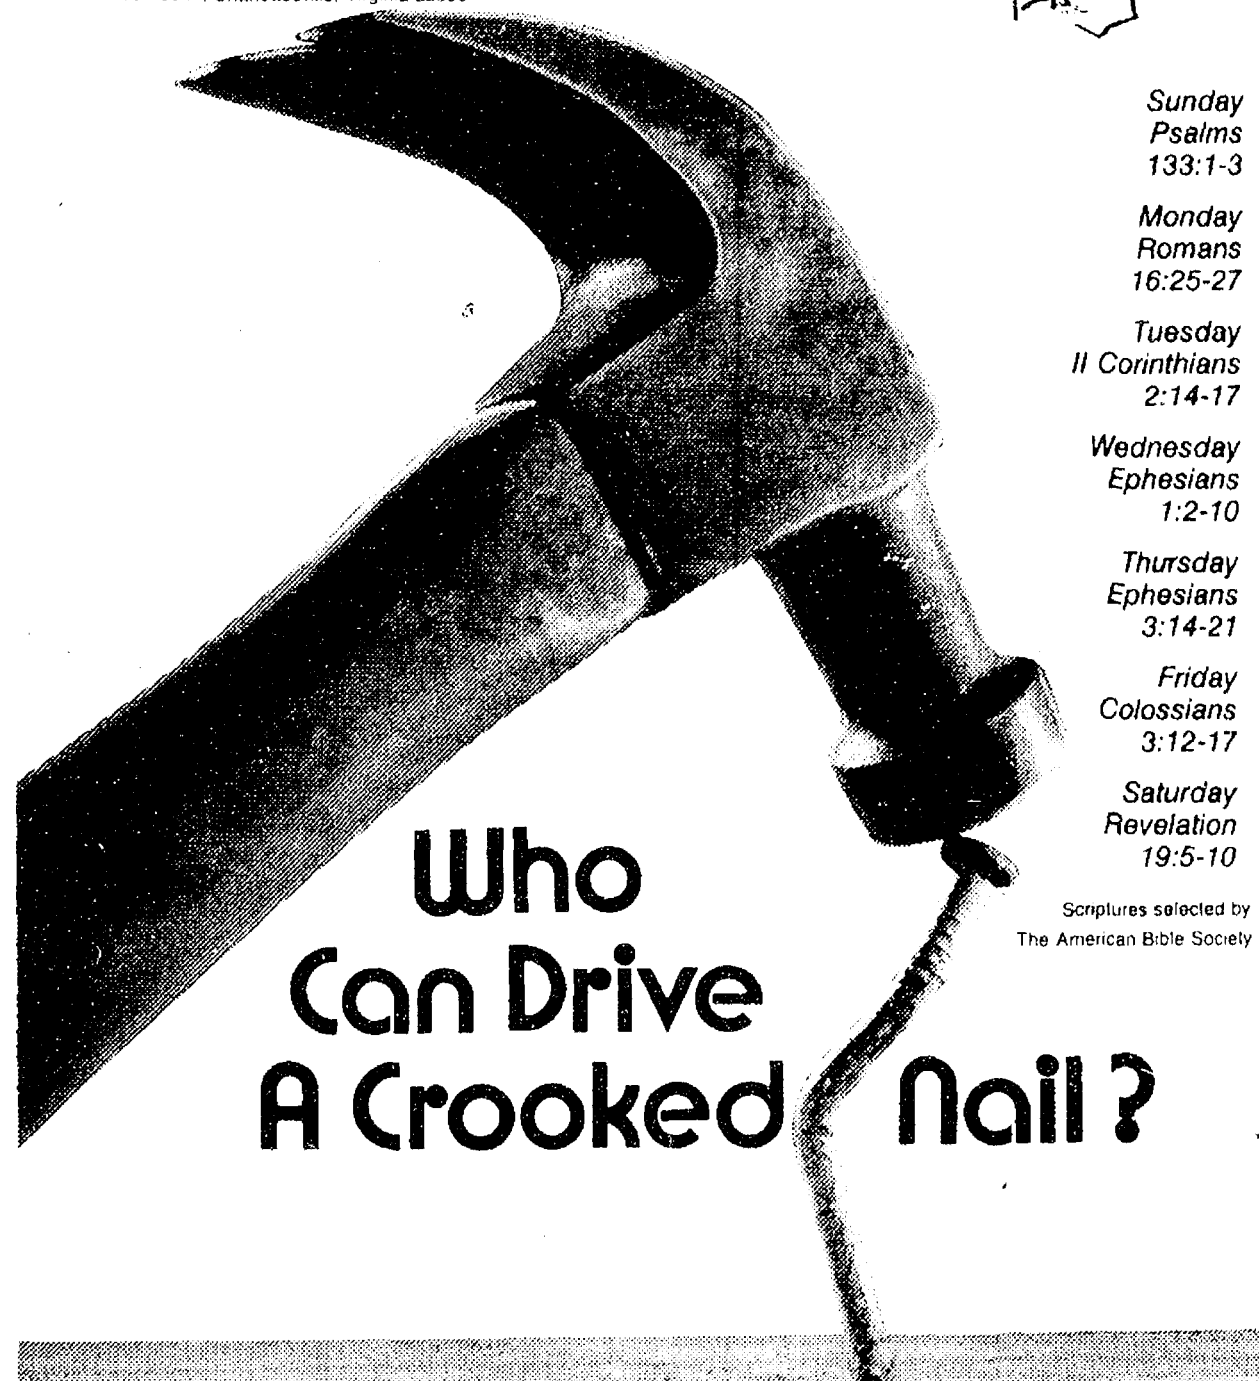

No heartache surpasses that of earnest parents trying to mold the character of their child... and seeing daily the ominous signs of failure. But all the urging, pleading, coaxing and punishing we can muster is unlikely to change the course of a life that lacks spiritual backbone.

Who can drive a crooked nail?

The sooner religious training begins, the earlier its results become evident in a child's attitude and behavior. Your child's readiness to respond to parental encouragement and discipline is merely the reflection of those deeper qualities of personal integrity which spiritual growth will foster.

Let your place of worship help you raise your family. God never meant you to try it alone!

Dear Editor:

Once again in today's Free Press they say that President Reagan "does not contemplate cutting the military budget." Somehow we must get our message to Washington. We vigorously protect the proliferation of nuclear arms. And yet? The federal government uses 25 percent of our tax money to build its bombs. By 1987 it plans to spend 36 cents of every tax dollar on an unjustifiable defense budget.

We must take the future into our hands and demand an end to the threat of nuclear extinction.

I want to urge everyone to attend the meeting at Kirtland Community College on Oct. 14th at 7:30 p.m. A film on the medical and social consequences of nuclear war "The Last Epidemic" will be shown. This will be followed by a discussion led by Tom Stewart of Harbor Springs and the Peace Education Network. It will be well worth your time.

Cordially,
Margaret W. Lawrence
